

Double Head Mini flatbed contour cut plotter

Maximum cutting area A3+, carton proofing,
full cutting and crease treatment

Large screen
touch control

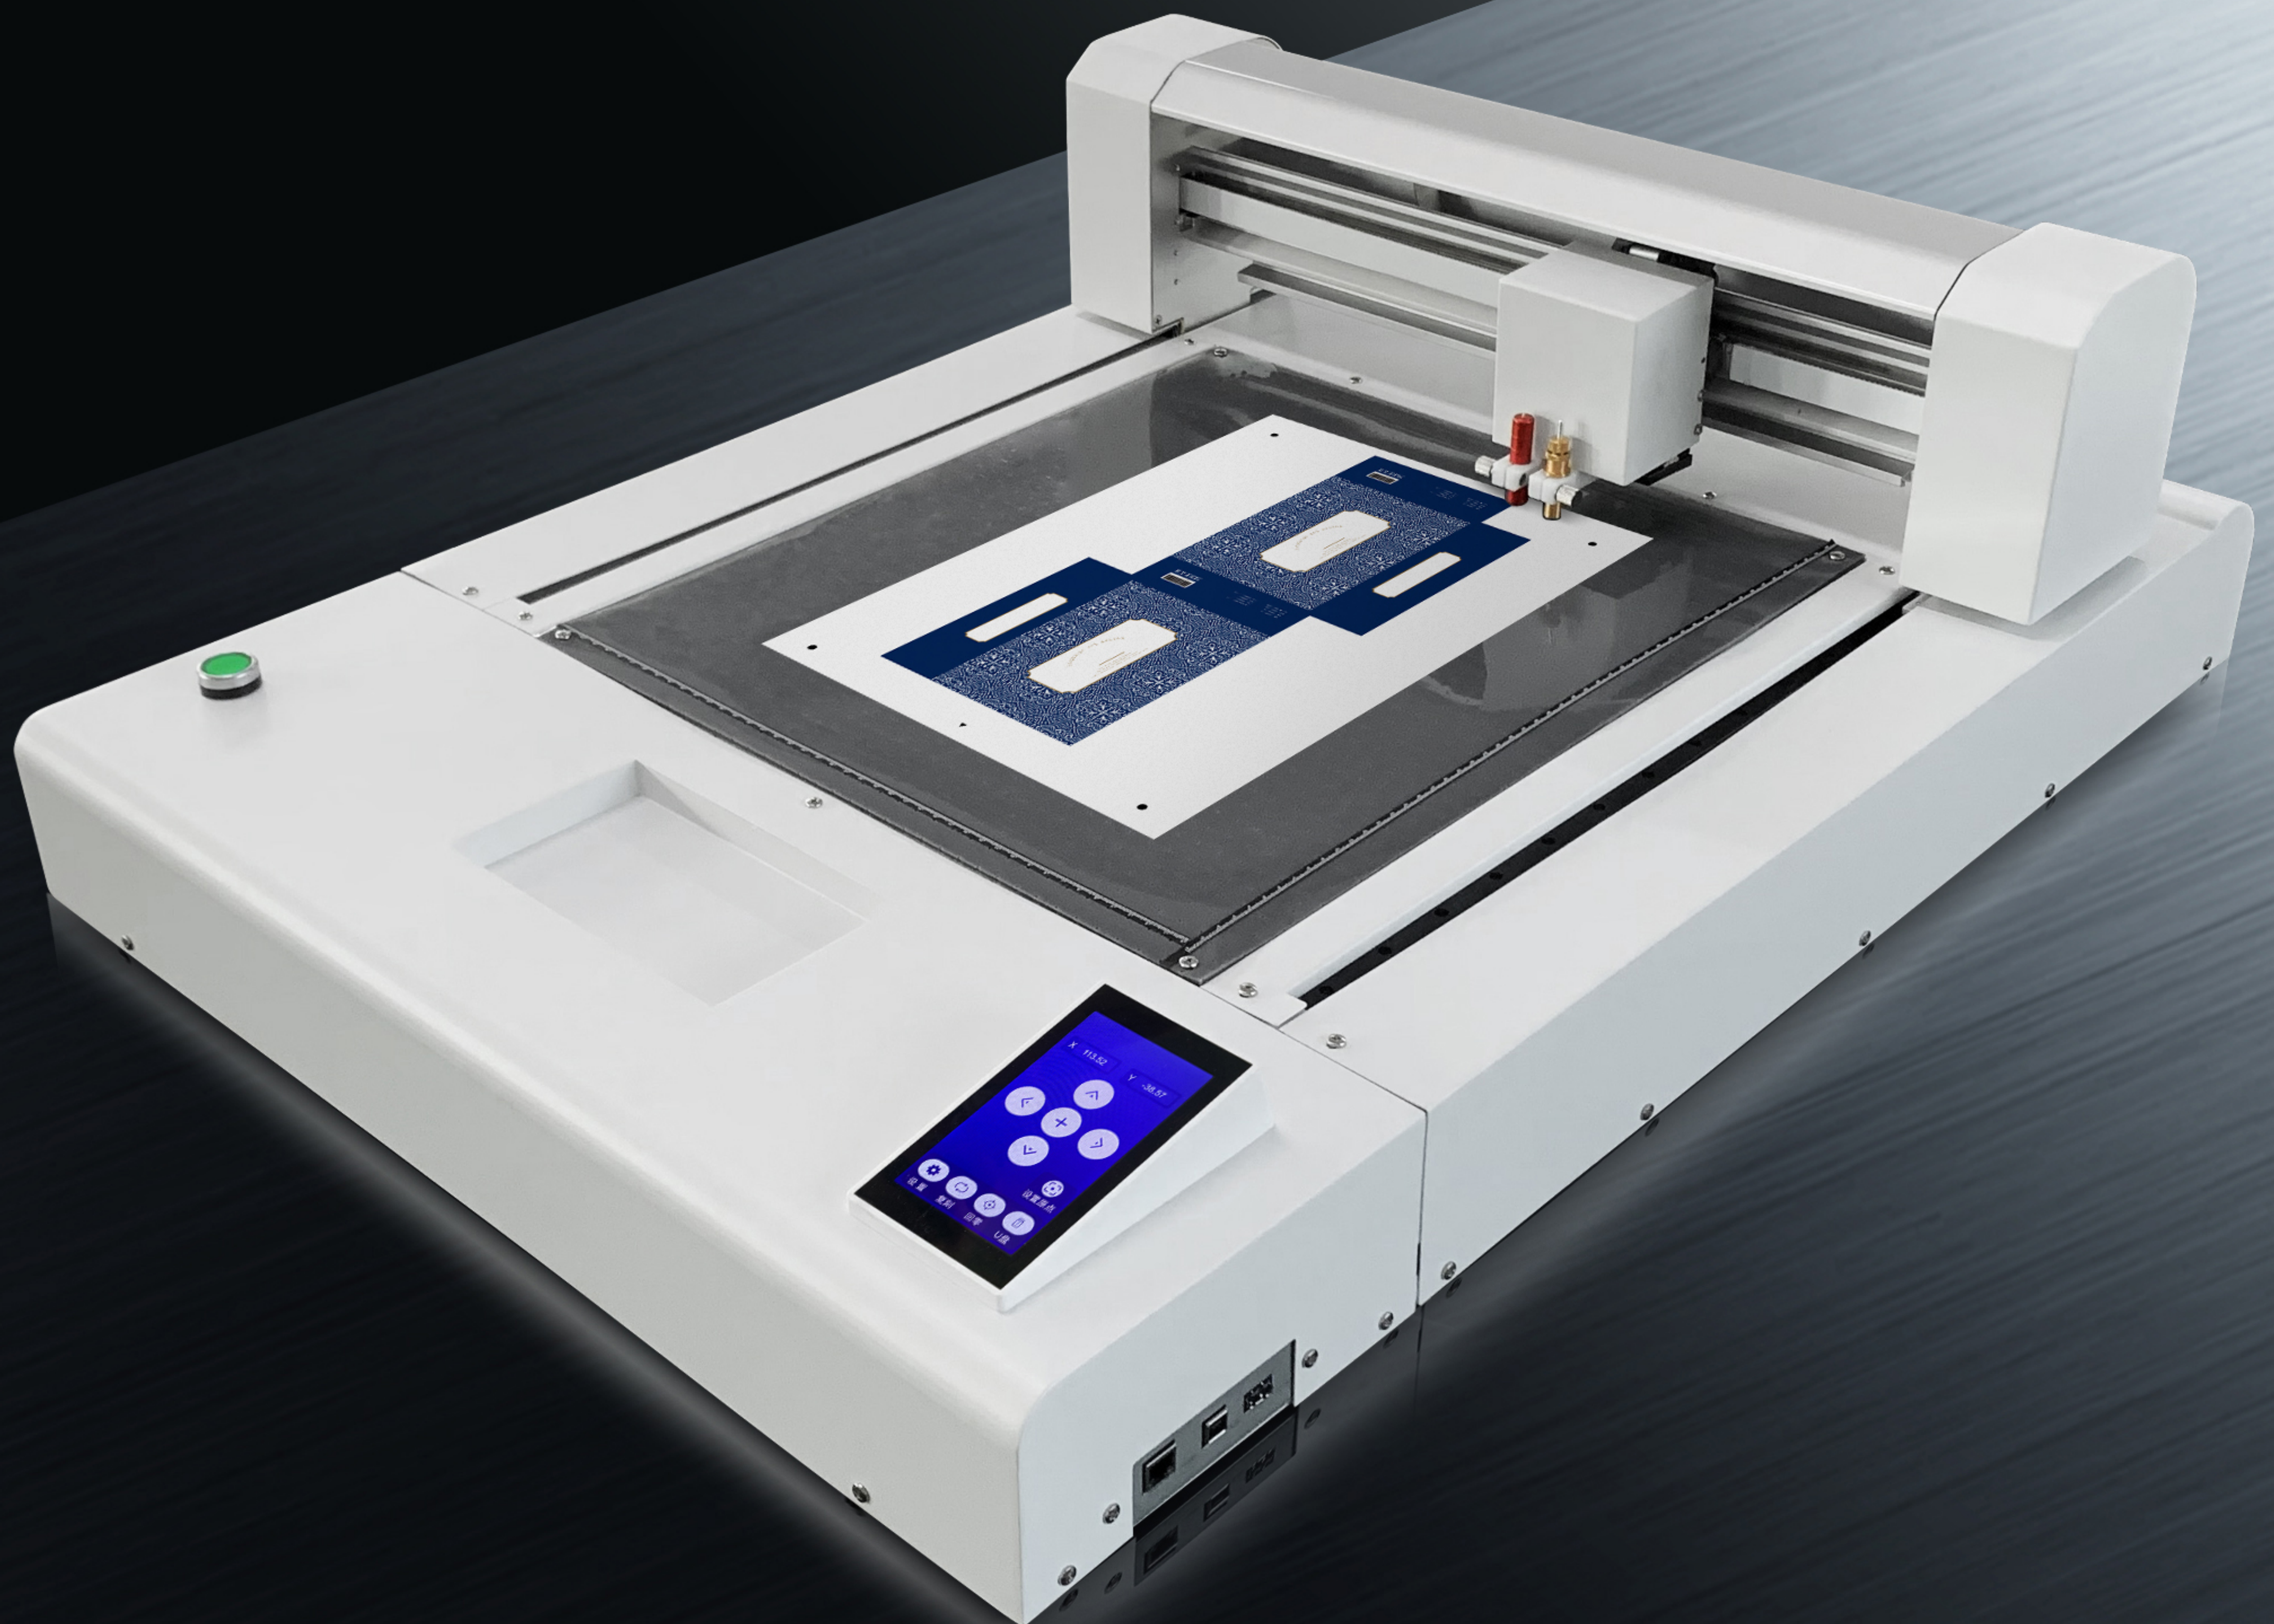

Automatic
adsorption

Double head

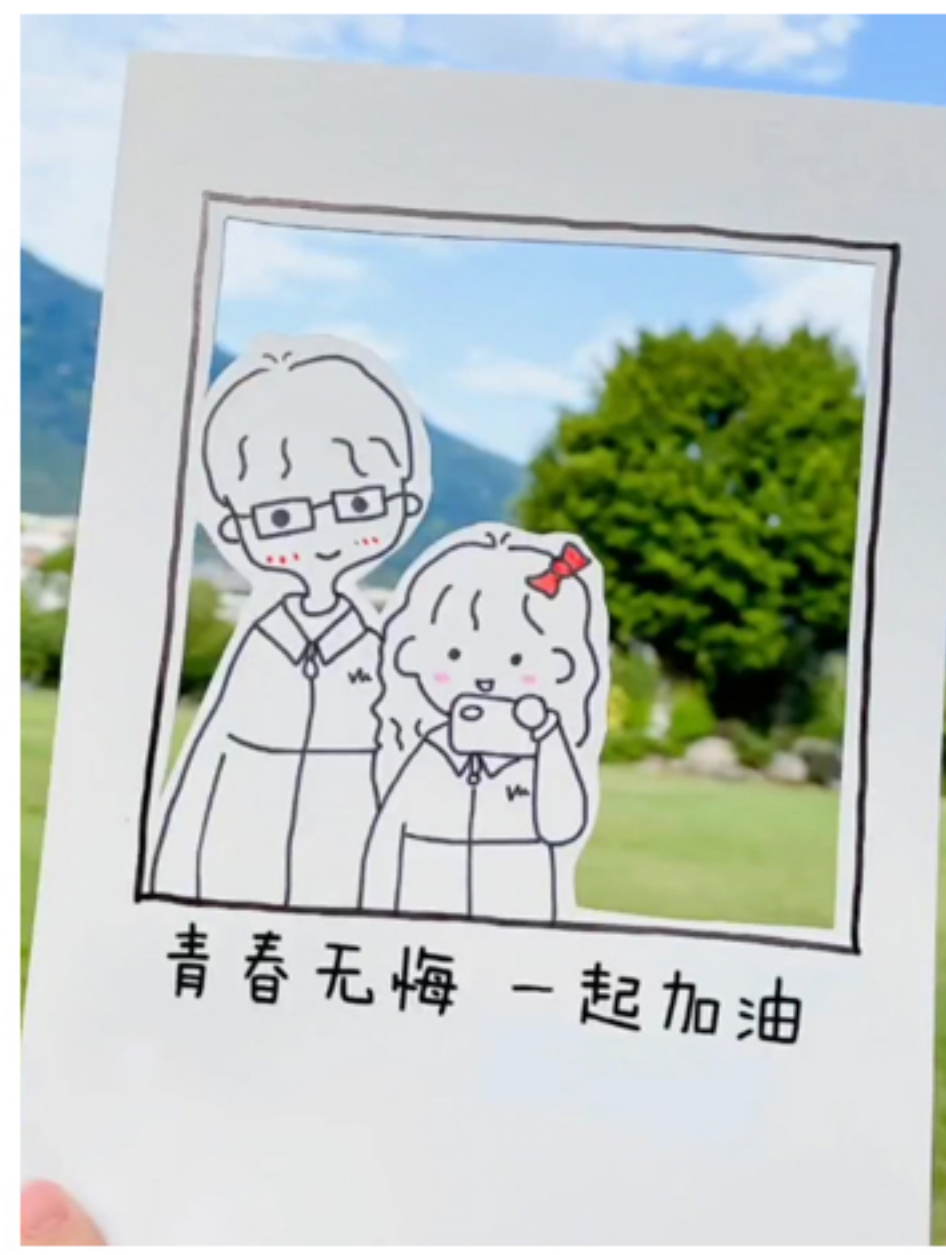

Camera scan
contour cut

Widely used

Packaging box sampling

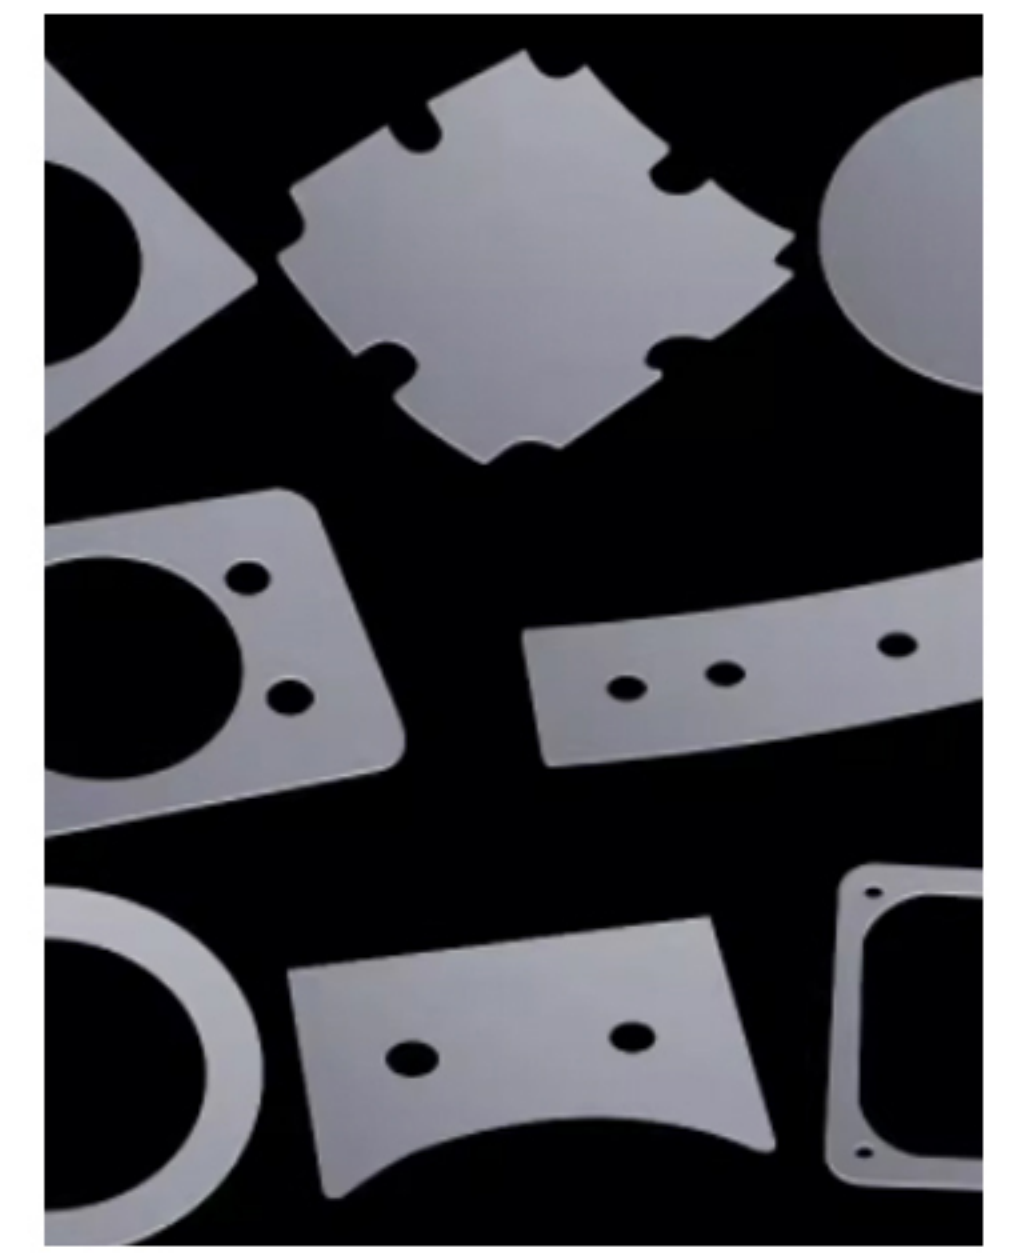

Hollow cardboard

Adhesive cutting

Paper cutting

PVC board cutting

Product parameters

Model No.	FB5035DC
Cutting speed	1mm/s ~1000mm /s
Cutting thickness	Within 1.2mm
Cutting pressure	1000g
Cutting material	Can cut PET, PVC, cardboard, sticker, film, fiber Composite material, fabric, PU, plastic board, etc
Blade	Dual blade
Scan mark way	Camera scan position system
Material fixing way	700W Vacuum adsorption
Operation Method	Flatbed
Driver	Stepper motor
Cutting precision	±0.15mm
Repeatable Precision	≤0.05mm
Cutting circle diameter	≥1mm
Interface	USB/U-Disc port/Ethernet port
Compatible software	Signmaster, AI, Autocad, Coreldraw etc
Instructor of the plotter	HPGL compatible format
CNC panel	Multi-language LCD touch panel
Transmission material	Imported belt
Operating voltage and power	AC220V ±10%, 50HZ
Cutting area	500mm*350mm
Machine size	954*292*694mm
